

Supervisors Of U. S. Rubber To Meet Here

Some 225 supervisors of the U. S. Rubber Co., Kankakee unit, will meet with two top executives of the company's Naugatuck Chemical division on Sept. 15-16 at the Kankakee Unit of the Joliet Arsenal.

The meeting will be the second in a series of conferences which are being held here this fall to keep supervisory personnel of the unit abreast of the latest manufacturing techniques of the chemical industry and to instruct them in the company's policies and managerial procedures.

EXECUTIVES of the Naugatuck Chemical division who will attend the Tuesday and Wednesday meetings are John E. Caskey, assistant general manager of the division, and J. P. Monahan, general control manager of the division.

The Kankakee Unit of Joliet Arsenal employs approximately 4,500 people who live in this area. Its supervisory force which consists of some 500 persons, is composed largely of local people.
